[REDACTED]

[REDACTED] reported that a known mental subject with violent tendencies had just attempted to purchase the listed firearms. [REDACTED] identified Hassen Chokr as the suspicious mental subject (locally known to him).

[REDACTED] stated that Chokr entered the store, looking at several guns including an AK47 and an AR15. He picked out an AR15, a Glock 19 and a shotgun. Chokr stated that he would use the weapons for "God's wrath".

[REDACTED] checked Chokr's ID and completed/signed background check form. Chokr failed the background check and was not sold any firearms. Chokr became irate yelling that he would "tunnel through the drywall and get his guns".

Chain of command notified. Officers were currently looking for Chokr for an unrelated issue stemming from West Bloomfield Twp PD.

REPORT:

Intern F. Elzein advised officers of videos that Hassan Chokr had posted on his Instagram page (freedomfighterhassan) regarding statements about getting an Ouzie after being denied the purchase of guns earlier in the day. F. Elzein sent me 2 screen shots of the statements he made on his Instagram story. Both screenshots were added to the report. F. Elzein also had recorded a video that Chokr posted on his Instagram regarding him making statements about his rights being denied and ripping people apart limb by limb. Due to the size of the video, Elzein was unable to send it to me. Sgt. Leveille aware of the posts.

ET REPORT

EVIDENCE:

BENJAMIN IRONHEAD BB GUN .001

SD CARD #573

REPORT:

I responded to 10800 S Morrow Cir to process the scene of a search warrant that was being conducted by the DB. I photographed the outside of the residence along with the front and rear door which had damage due to forcing entry. Once inside, I photographed the inside of the residence on the main floor. In the front living room, the above listed BB gun was located leaning up against the couch. I photographed same and logged it into evidence once back at the station. I photographed Chokr's ID which was located inside of the residence along with the left behind tabulation of the completed search warrant. Belfor responded and secured the home. The keys to the lock were logged into evidence and placed in the evidence lockers. SD Card #573 was logged into evidence and placed in the crime lab film drop box at the end of my shift.
